

## CLOTHES

Working clothes, home clothes, entertainment clothes and evening clothes: what are the differences?

Is there any point in having special clothing for work and sport?

How do you feel about wearing furs or people who wear them?

What do you wear on: a cold winter day / a warm sunny day / a hike / a rainy, windy day?

What do you wear when you go swimming, jogging, or skiing?

You are going on a week's business trip (or to the seaside) – what will you pack?

Clothes make the man. Discuss.

Fashion versus function: some fashionable clothes are ridiculously uncomfortable or difficult to wear.

Can you think of examples and describe the circumstances in which they are worn?

What is trendy now? Talk about changing fashions of the 20th century.

Does the type of clothes you wear suggest which class you belong to? Or what opinions do you identify with (for example, the clothes of the hippies)?

Find out what various students in your class do about clothes that are worn out or have gone out of fashion.
